

MINNESOTA ARABIAN HORSE BREEDERS

Fall Festival

OCTOBER 1-3, | ST. PAUL, MINNESOTA

WRAPPED IN GOLD AND RUBY HUES

Celebrating 40 years, the Minnesota Arabian Horse Breeders (MAHB) Board, Officers and Show Manager work year-round to make each future Fall Festival better, and their efforts paid off. In September, both halter and performance exhibitors responded favorably, increasing participation by 30%, with close to 200 horses entered in the United States' first ever Futurity show.

"We welcomed competitors, horse owners and those who are new to the breed to visit the barns and the show ring to see some of the finest Arabian horses in the U.S.," shares MAHB President, Donna Hentges. "There was quite a bit of activity in the barns with so many horses coming and going, that a visitor to the barn could literally pull up a chair and watch some of the most beautiful Arabians in the world go by."

The 3-day event offered over 60 classes in halter and the English, country, western and hunter pleasure disciplines, with exciting prize money. It is a highly anticipated show for breeders and exhibitors from all over the country who love coming to the Fall Fest to compete with the best, all while having fun doing it.

The Fall Fest is heavily supported, both by its devoted MAHB Members and yearly attendees who know it is a proving ground of past years' auction breedings, and a great opportunity to create future champions through the annual Stallion Service Auction. Over 100 of the most prolific and champion-producing stallions in the industry today were up for bid, adding \$140,000 to future shows.

Part of the annual "fun" is gathering with one another for the very popular Minnesota Breeders tradition of feeding the masses at noon—chili on the 1st day and wild rice soup on the 2nd day of the show—while adding to the festivities this year, a cake and cupcakes in acknowledgment of four decades of success.

Special honors went to Larry Jerome, who received the Eleanor Hamilton Lifetime Achievement Award for his contributions to the club over the years, and as always, the show's volunteers who keep everything running on time and smoothly are what bring people back every year while adding new interest. They work tirelessly to make the show happen and you can bet they are already working on new ideas and improvements to make next year's show even better!
