September 29-October 1 | St. Paul, Minnesota
Judges: Cathy Vecsey, Greg Knowles & Martha Rattner

A Futurity For Devoted Arabian Horse Enthusiasts

The 42nd Annual Minnesota Arabian Horse Breeders (MAHB) Fall Festival Horse Show proved to be a captivating event, graced by the finest fall weather that the state has to offer. The allure of the longest running futurity in the world extended beyond state borders, drawing in enthusiastic participants from Canada and neighboring states, reconnecting trainers, breeders, owners and exhibitors with a fun-filled weekend of hospitality and Minnesota nice.

The competition was fierce, with amateur exhibitors showcasing their premier Arabian horses in over 60 competitive Halter and Performance classes. The eclectic mix of events also included an adult Lead Line Costume Class, adding a touch of whimsy to the proceedings, where the victors delighted the crowd as Barbie and Ken lookalikes.

A pivotal moment of Saturday evening was the presentation of the prestigious Eleanor Hamilton Lifetime Achievement Award to Debbie Treadwell. A stalwart figure in the MAHB community, Debbie and her family have been dedicated breeders and exhibitors since the inaugural stallion auction in the 1980s. Her decades-long commitment and passion for the Arabian horse and MAHB were recognized with this esteemed accolade, joining the ranks of past awardees such as Eleanor Hamilton, Dick Ames, Larry Jerome, and former MAHB President Greg Brown.

This year's Fall Fest Reserve High Point Breeder Overall and High Point Halter Breeder with Jerland-bred horses winning both Auction Yearling classes and both Medallion Yearling classes, was treasured member of Minnesota Arabian Horse Breeders, Inc. for over two decades, Larry Jerome. Year after year, the "J" horses are represented in MAHB's Stallion Service Auction and their get are leaving the show ring wearing the roses. Breeding to a Medallion Stallion certainly has its benefits, and next year the stakes are higher than ever! The Champion Yearling Auction Colt and Filly are set to claim a remarkable \$20,000 each, with an additional \$5,000 bestowed upon the proud owners of the stallions responsible for siring these exceptional champions.

As the dust settles on this year's success, anticipation is already building for 2024's "First, Friendliest and Fairest Arabian Futurity in the equine industry."
